INSTITUTIONAL EXPERIENCE

VIVACITY | The Annual Cultural Fest of LNMIIT | Public Relations Head

- Led a dynamic team of 50 members as the Public Relations(PR) Head for the prestigious LNMIIT Cultural Fest.

- Strategized and executed comprehensive PR campaigns, effectively promoting the fest and attracting attendees.

- Collaborated closely with various departments to ensure seamless coordination, leading to successful artist management and diverse cultural performances during the fest.

PROJECTS

NETFLIX CLONE | Live Preview
HTML, CSS, JavaScript, React.js, Firebase, APIs, Redux Store

- The project is an ambitious initiative aimed at replicating the core functionalities of the renowned streaming platform Netflix.It revolves around three key functionalities: **User Authentication, Search, and the Browse Page.**

- The project features a robust User Authentication system that enables users to create accounts, log in securely, and enjoy a personalized experience.

- The Search functionality is a pivotal feature, allowing users to find their preferred content within the vast library.

- The heart of the application lies in its Browse Page, designed to replicate the intuitive layout of Netflix. **(Github Repo Link)**

APPOINTFIT | Live Preview
HTML, CSS, JavaScript, React.js, Redux Store

- A Fitness Trainer Appointment Scheduling Web App to enhance the efficiency of client management.

- This comprehensive solution empowers fitness trainers with key functionalities for creating, editing, and deleting appointments, coupled with an intuitive calendar view for organized date-wise appointments. **(Github Link)**
